This data, information, and associated comments are provided for information and distribution only as permitted by law. It has been prepared for Institutional Investors only and not for retail. This material is neither an offer to sell or a solicitation of an offer to buy any security. Further, all statements and expressions are the opinion of the author(s) only and are not meant to be a solicitation or recommendation to buy, hold, or sell securities. The information herein is not intended to predict actual results, which may differ substantially from those reflected in the material. The information presented herein and on any related website(s) has been obtained from sources believed to be reliable, but its accuracy is not guaranteed. Past performance is not indicative of future results.

Trading futures or related securities involves the risk of principal and could further result in losses greater than the original investment or the funds in an account. The investor is responsible for all financial risks associated with an investment. You should not engage in trading unless and until you fully understand the transaction(s) and the extent of the financial exposure to losses exceeding principal investment. You should always consult your registered investment advisor before making any investment in futures or other levered products. Futures and options trading involves substantial risk and is only appropriate for those who have the qualifications, understanding, and risk capital for such investments. Additionally, in making an investment decision, individuals should always rely on their own examination of the offering and the principals involved in the investment vehicle, including the terms of the investment agreement and the merits or risks involved in such investments.
